WORK EXPERIENCE

Tegan Wolfe Design LLC, Denver, CO

FREELANCE GRAPHIC DESIGNER, NOV 2011 - PRESENT

I own and operate a freelance graphic design business in Denver, Colorado. I run all aspects of the business from sales, client meetings, creative, printing, invoicing, accounting and communication. I work with a within a wide variety of industries from technology companies, transportation, the health sector, social media, financial and more. I am dedicated to my clients, I haven't missed a deadline, and I have been a full-time freelancer for over seven years.

Linden Marketing, Fort Collins, CO

GRAPHIC DESIGNER, FEB 2011 - NOV 2011

I was one of two graphic designers at Linden Marketing. I designed graphics, updated and maintained client branding, created advertisements, tradeshow graphics, interior/exterior graphics, carried out the digital printing, and print production. Worked with three project managers and one web programmer within the education, healthcare, energy, and technology industries.

Pixels&Press, Fort Collins, CO

LEAD GRAPHIC DESIGNER, SEPT 2008 - FEB 2011

Was the sole/lead graphic designer at Pixels&Press, a full-service design, web and printing studio. I juggled a wide variety of tasks from producing all of the design (branding, direct mail, websites, email blasts, brochures, posters, and so on), carried out the digital printing, print production and working with vendors, led client meetings, and managed all projects.

Zillner Marketing, Kansas City, MO

GRAPHIC DESIGNER, JAN 2008 - SEPT 2010

I worked satellite with Zillner Marketing as a freelancer producing marketing materials, mailers, invitations, logos, collateral and website design for several different senior living communities nationwide. I worked with project managers and copywriters through email and conference calls.

Big Red Rooster, Columbus, OH

GRAPHIC DESIGN INTERN, JUNE 2007 - AUG 2007

As an intern at Big Red Rooster, I created designs and presentations for a variety of top name retail design clients such as Pepsi, Nike, Lens Crafters and Microsoft.
